TERMS AND CONDITIONS

1. The breeding season starts on 1 January and ends on 15 August of the calendar year.
 - 1.1. With the delivery of semen you accept our breeding and liability conditions.
 - 1.2. Prior to semen delivery and/or beginning of insemination services, a copy of the pedigree document as well as the result of the CEM swab & EVA blood samples must be available and the applicable fees paid in advance.
 - 1.3. The breeding taxes, which include up to 3 inseminations per breeding season, as mentioned in our brochure, are referring to fresh chilled semen and to frozen semen for the completed breeding season and does not carry over into next years breeding season.
In case of fresh chilled semen, semen is provided until the mare is pregnant for up to 3 inseminations per breeding season.
In case of frozen semen, the first dose will initially be delivered; if pregnancy does not result, a 2nd and 3rd dosage will be delivered upon request.
The fee for mares which are inseminated by Oak Equine must be paid, together with the livery charges, before collecting the mare.
2. **ORDERING OF SEMEN**
 - 2.1. **It is imperative that the order is put in before 10a.m. – 48 HOURS PRIOR TO INSEMINATION.**
Telephone: 01277 890 600
Mobile: 07802 807037 / 07867 558932
Fax: 01277 890 601
NO DELIVERIES ON SUNDAYS, MONDAYS OR BANK HOLIDAYS
N.B. Transport of semen via a sub-contractor is routinely arranged by Oak Equine VS, however we cannot be held liable for late or non-delivery. Should you wish to arrange your own transport please advise us well in advance.
3. The veterinary fees are the responsibility of the mare owners.
 - 3.1. The costs of the semen transport has to be paid at the time of ordering the semen.
 - 3.2. The semen containers have to be returned immediately or a £50 fee will be charged. The Certificate accompanying the semen container must be submitted to the stud within 7 days after insemination, signed by the veterinary surgeon or person in charge of the insemination.
 - 3.3. If the mare has not become pregnant, a reduction on the covering fee of 50% will be given for the same mare in the following year when using the same stallion, if available. Should the stallion of choice not be available in the following year, similar arrangements can be made for a different Brookhouse Stud stallion subject to mutual agreement.
 - 3.4. Livery services to be paid before collection of mare.
4. **LIABILITY**
 - 4.1. The stallion owner is only liable for damages caused with intention or with gross negligence by himself or an assistant. This liability encompasses all damages which may occur during the residence of the mare at the stud, particularly by leading the mares to the stallions.
 - 4.2. For damages caused by a third party the stallion owner is not liable.
 - 4.3. To cover any liabilities and damages against persons, goods and animals caused by the mares, the owner has to insure the mares against third party liability.
 - 4.4. The stallion broker is not liable should the chosen stallion become unavailable, i.e. due to illness, death etc. An alternative stallion may be selected but additional costs would be the responsibility of the breeder.
5. **PLACE OF PERFORMANCE**
 - 5.1. Place of performance is the registered office of the stallion owner.
 - 5.2. For all present and future claims regarding the business connection - as far as the breeder is a full Merchant - the registered office of the stallion owner is the exclusive place of jurisdiction.

I ACCEPT THE ABOVE TERMS AND CONDITIONS:
